Supervisor Peskin:

Yes! One final thought on this that we didn't discuss is how best to handle Mr. Hoogasian.

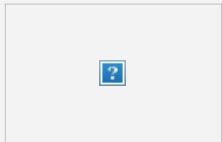

Once we are ready with our case – will someone at DPW notify him of the request for revocation of the flower stand or might that be best coming from you?

It is better for us if it comes from the City although we can certainly round up the documentation and support for the removal.

Thanks for your consideration.

Sincerely,

Karin

Dear Supervisor Peskin:

Thank you for taking the time to meet with us this afternoon regarding the process to remove the abandoned flower stand at 250 Post.

As it turns out, we already have been recording still shots from our camera at 250 Post for 30 day periods dating back to July, 2016.

We have recorded 192 days or just over 27 weeks so far – more than the 6 weeks needed.

The broken windows and graffiti have been there at least since August, 2016 as documented in several e-mails I sent to DPW to request enforcement.

I will work with Michael to package up this information to make the best case that we can.

Again, we are most grateful for your help on this.

Sincerely,

Karin
